

Association of Canadian Travel Agencies  
Association canadienne des agences de voyages

# Allied Members 2017

Please find below a listing of Allied members that have joined or renewed their membership with ACTA for 2017. Allied Members are companies or other organizations in the travel industry which are not travel agencies but which wish to join ACTA for benefits available to them and to be able to become associated with Canada's travel agent community. These companies include airlines, airport authorities, car rental companies, cruise lines, educational institutions, hotels, marketing companies, motor coach companies, travel insurance providers, travel media companies, travel technology providers, tour operators/wholesalers, tourist boards, and more. We encourage our retail travel community to contact an ACTA Allied member to fulfill your business needs or in meeting those of your clients. Please reference our online directory at <http://www.acta.ca/travel-directory> to access more information on our Allied members.
